Weddings at The Traddock

The Traddock is a Georgian country house set in magnificent surroundings in the village of Austwick in the heart of the Yorkshire Dales. The village itself is surrounded by spectacular scenery, with the parish church just around the corner. This family run hotel offers award winning accommodation and service whilst maintaining a relaxed and homely atmosphere, and is a perfect venue for your wedding reception (we are not licensed for ceremonies).

We have fourteen luxurious bedrooms, each individual in character, and offer little extra touches for guests' comfort and relaxation. Our bedrooms are available to view on our website www.thetraddock.co.uk/hotel-rooms.

This information provides a starting point for your wedding plans; we understand that no two weddings are the same, and are happy to accommodate different requirements to help create a day tailored to your needs. We are here to help and advise on menus, entertainment and any other details, with a personal service to make it a very special day.

You are very welcome to pay us a visit and see the hotel in person; it is always helpful to discuss the options on site. Should you wish to arrange a visit, or would like any further information please contact Jenny Reynolds on **015242 51224** or email **jenny@thetraddock.co.uk**.

Menus
Our award winning 3AA rosette fine dining restaurant offers a superb venue for a wedding breakfast, seating up to a maximum of 50 guests. We can provide a list of dishes carefully prepared by our chefs for you to choose from, and a children's menu for your younger guests.

You may decide that you would like to offer an evening buffet for your guests, for which we can offer a range of options. We can also provide a selection of canapés for your guests during the drinks reception.

If your guests are staying for two nights we can offer a different dining option, for example a more informal hot buffet, on the night prior to the wedding.

Drinks
Although we offer a drinks package for ease, we are able to individually tailor drinks if you prefer. Drinks for the reception and for toasts can be chosen from our range of Champagnes or sparkling wines. Alternatively, you may prefer something like Pimms or Mulled Wine. And we have a selection of fine wines from which you can choose to accompany your wedding breakfast.

Evening entertainment
Our main lounge can easily convert to a dance floor, and is ideal for a band or disco.

Exclusive use
For wedding receptions at The Traddock we provide you exclusivity of the hotel, which provides you and your guests with uninterrupted privacy and a personal atmosphere, and allows you to enjoy exclusive use of the entire hotel and gardens on the day of your wedding.

With exclusive use, the wedding party take over the whole hotel including all our bedrooms on the day of the wedding. At weekends we require a minimum two night stay, therefore for a Saturday wedding we require all fourteen bedrooms to be taken on both Friday and Saturday nights. (There is also plenty of extra accommodation in and around the village for additional guests).

We have details of local accommodation and other suppliers, which is available on request.
